

# 2016-2017 Grant Recipients

## **CLASSROOM GRANTS UPDATE: Nearly \$32,000 is Distributed to Fund 28 Grants involving 50+ educators!**

Thank you all who submitted applications to the BPS Foundation's Classroom Innovation Grants program and congratulations to the 2016-2017 recipients.

If your project was not selected this year, please be encouraged to submit future ideas for consideration. The foundation appreciates your support in the employee campaign, which will help grow the ability to fund more such grants in the future. Together, we're doing all we can to help the Bellevue Public School District be the best it can be!

All grant recipients are asked to submit a one-page outcome review to the Classroom Innovation Grants Evaluation Committee within one month of completion. Supporting documentation, photos, testimonials and/or published posts/tweets/articles will help the foundation publicize projects and share outcomes with donors.
